

## LL-PP/MOD/1U/KX-E

— Fiber optic high-density patch panel 1U 19" modular version, empty —

SPCC steel

Coloring: RAL 9005 (black) standard

### APPLICATION

Fumo's fiber optic panel solutions are developed to supply the essential elements of fiber cable management; connector and cable accessibility, bending radius protection, cable routing paths and physical protection. If these elements are executed correctly, the network can deliver its full competitive advantages. The 1 high unit, 19" width, modular version can accommodate up to 4 modules in various adapter styles (see corresponding module data sheets). It can be ordered empty, partially equipped or fully loaded plug&play-ready. Standard RAL-color is black RAL 9005 (customized colors and logo-prints are available on request).
