

Category 6 Unshielded Keystone Jack

180° Keystone Jack

Overview

Category 6A unshielded keystone jack supports the 10/100/1G BASE-T Ethernet, as well as advanced new 10G BASE-T Ethernet. By special designed housing and installation the jacks on a staggered 24-port 1U patch panel, it minimizes additional AXT from neighboring connectors and provides transmission performance beyond 500MHz and Alien crosstalk requirements.

Highlights

- Contacts are phosphor bronze plated with 50 micro inches hard gold
- Dual T568A & T568B wiring
- Complies with FCC Part 68
- Polycarbonate 94V0 rated
- Complies with IEEE802.3at PoE+
